

BizCafe

On-line Business Simulation

What's Biz Café:

- On-line simulation
- Hosted by Interpretive Solutions
 - Cost \$29.59 USD/student

FAQ

Do we have to purchase the game?

Yes. The simulation is used in place of a text book.

Will we play head to head or against the computer?

~~*You will play against the computer.*~~

You will play in teams of 4, against other teams of 4 from your tutorial section.

FAQ

How many rounds will we play?

You will play up to two practice rounds followed by ten rounds of game play against your classmates.

Will we have to deal with 'incidents'?

Yes. In rounds four, five, and eight you will have to respond to 'incidents'.

FAQ

When can we start play?

You can start your practice rounds as soon as you get an account. Head-to-head play will begin the week ending Friday June 12.

When will we finish?

The last decision date will be Friday August 14.

FAQ

What happens each week?

- *Enter your teams decisions for the week.*
- *Friday at midnight decisions are locked in and the simulation calculates your cafe's performance*
- *The next week begins on Saturday, you can check your performance, and start to enter decisions for the week.*

FAQ

What do we get for winning?

The best performing team from each section will receive a 2% grade bonus.

Who is declared the winner?

The team that has the largest cumulative net income. (has made the most money)

FAQ (cont.)

What's a "Unicorn's Den"?

The Unicorn's Den is a kinder, gentler version of the "Dragons Den" you may have seen on TV.

You may make your presentation individually or as your BizCafe team.
